Luminox, the original self-powered luminous watch brand, is the watch of choice for global outdoor adventure icon Bear Grylls, U.S. Navy SEALs, The Icelandic Association for Search and Rescue (ICE-SAR), Lockheed Martin's F-117 Nighthawk™ stealth and other jet fighter pilots, elite forces worldwide and professional divers. Luminox watches glow up to 25 years in any light condition. Always Visible, tough, powerful and accurate, Swiss-Made Luminox is the ultimate night vision gear for rugged outdoorsmen and other peak performers.

ALWAYS VISIBLE

Navy SEALs, law enforcement, emergency personnel and more wear Luminox watches, and these professionals need to be able to see the time no matter the conditions. That's why Luminox uses tiny tritium gas tubes, which will provide illumination for up to 25 years. Unlike other luminosity systems, which depend on exterior light sources to charge luminous paint or a pushbutton to illuminate the watch, the luminosity is built right into Luminox watches, ensuring that you will always be able to see the time, no matter the conditions.
